Dear Mr. Edison:

I have included a replacement for the proof nickel and a refund check for the 1857 Flying Eagle Cent.

If this proof nickel is not acceptable to you, please do not reorder from us. If you are pleased with the nickel we will look forward to future business together.

David Bland, Jr.

Mar 28, 1970

Mr. Bland

I am returning the 1857 cent and the liberty nickel proof for refund. The cent is weakly struck and since I am only getting one I want to wait for an outstanding one. Similarly, I want to wait for a flawless nickel - if you have one of another date it would be fine to substitute.

The 1872 quarter proof was lovely.

Thanks.

March 28, 1970

Dear Mr. Perreau

Today I received an order for either an 1983 or 1984 fully frosted superb proof Barber quarter. Since I have no address of the drawer of the check and since the amount is in excess of \$25.00, I must await clearance of the check. This normally takes one week to ten days. At the end of this period I will send the coin by insured airmail. Thank you for your patience.

Sincerely,

James H. Goudge

Mr. Gilman,

Enclosed please find the coins as discussed this m. I have sent duplicates here I thought you would like the choice. The only two coins I did not send were the Edward IV gold and the 18th cent. The rest had some field marks and the half was not as sharp as much coin for your use.

Several of the pieces enclosed are fairly choice coins for any type and will be type you find them to be satisfactory. We would appreciate your rating your selections and returning the duplicates at your earliest convenience as all of the material is currently being administered and will be soon sold!

Thank you again for visiting of The House of Stuart and we will look to hear from you soon.

Best regards,

Gary
